*Fond du Lac, WI* - The Wisconsin Council of Problem Gambling and Drug Free Communities of Fond du Lac County is partnered for the 3<sup>rd</sup> Annual 5K Run/Walk *Start the Conversation* on April 13, 2019 at Lakeside Park in Fond du Lac.

“We are absolutely delighted to do a 3<sup>rd</sup> annual event,” shared Pat Jirovetz of the Wisconsin Council on Problem Gambling. “This is a terrific opportunity to continue our awareness campaign about addiction with a positive activity such as a walk run. We hope to have folks return from last year as well as encourage first-time participants to experience that accomplishment of completing the 5K. The opportunity to have our furry dog friends also participate only enhances the event.”

Sponsors for this event include: Homan Auto, Agnesian HealthCare, dear prudence shoppe, Creative Calm Counseling, LLC, WFDL, Wisconsin Council on Problem Gambling, and New Vision Signs, Decals and Screen Printing.
